

## CYO Camp Grasshopper Day Camp

### Prep like a pro.

Make sure you pack the right stuff for an exceptional week at Camp. Because learning personal responsibility is an important part of the Camp experience, please talk to your camper about keeping track of personal items. To help recover lost items, put their first and last name on all belongings.

### Prep tips.

- Pack your child's belongings in a small backpack that they can carry comfortably.
- Camp is a good place to wear out old clothes. Buying and packing new clothes for camp is fun but items can get ruined at camp.

- Label all items including their backpack with your child's first and last name to help keep your camper's belongings easily distinguished from others and to make retrieval from lost and found easier.
- Do not let your child bring any items or clothing of great value or emotional attachment. Things can soil easily, and personal belongings can get mixed up and lost.
- We suggest something like this for labeling items. You can find this on Amazon for about \$6.00.
