## K-3 PROGRAM SELECTIONS

The CYO Camp curriculum provides enriching individual and group experiences for participants in the Catholic communities. Physical and emotional well-being of the participant is our primary goal in all of the activities. Classes can be selected to meet state grade-based curriculum proficiencies, or to connect with units of study within your classroom.

Programming incorporates the CYO Camp Core Values of Catholic, Inclusive, Stewards of the Earth, Staff Development & Participant Centered.

Please look at the 3 selections below. Check the one you like and return this sheet to camp at least 3 weeks prior to your camp visit.

We look forward to serving you!
