DROP-OFF AND PICK-UP INSTRUCTIONS FOR CYO GRASSHOPPER DAY CAMP

Drop-off

When you arrive to drop off your child on the **first day**, we would ask that you park your car and escort your child to the check-in table (you will be directed by staff & signs). We would like the opportunity to meet you and make sure your child has his or her name tag and feels comfortable.

On the other days you may pull up to the drop-off area (you will be directed again). We ask that you and your child stay in the car until a counselor (with clipboard in hand) comes to the car, checks the child in and confirms with you who will be returning to pick up your child. The counselor will then escort your child to the camp area.

Pick-up

When you arrive for pick-up, you will be directed to the pick-up line. When your car reaches the pick-up area, a counselor (clipboard in hand) will ask your name and who you are picking up, and will confirm that information from the check-out list and will then have your child escorted to the car.

Contact Info: During the week of day camp, should you need to reach us, please call Sara Bouchard at 1-812-325-2818.

We look forward to meeting you and your child!
