

# COVID-19 GUIDELINES

We want everyone who visits CYO Camp to feel safe. Therefore, we will continue to monitor guidelines from the American Camp Association, the local health department, Indiana State Dept. of Health, and the CDC. Although we cannot completely guarantee a COVID-free environment, our staff and visitors will work together to minimize the risk of a COVID spread at camp.

## OUR STAFF WILL:

- Receive and implement ongoing training on COVID-19 and disinfection protocols.
- Self-screen for COVID-19 daily.
- Not attend work if ill.
- Adhere to frequent hand washing for 20 seconds with soap and water or utilize hand sanitizer.
- Wear masks when inside with our visitors.
- Social distance from others when possible.
- Report COVID-19 cases and notify guests of confirmed cases.
- Include and reinforce policies of agencies, parishes, and schools as needed.

## WE ASK OUR GUESTS TO:

- Bring a mask to wear when inside a building AND in the presence of camp staff or another group.
- Wear masks when just with those in their group at their own discretion and in accordance with Brown County mandates and the policies of their organization.
- Wash hands frequently for 20 seconds while at camp or utilize hand sanitizer.
- Social distance from others when possible.
- Not attend camp if ill.
- Notify us of confirmed cases of COVID-19 at camp or within 48 hours of leaving camp.
