Alleluia, Alleluia!! We have been waiting more than 40 days to proclaim those words. If you haven't ever noticed, we do not say the word Alleluia during our celebration of the Mass during the season of Lent. We are waiting until the coming of Easter and the celebration of the rise of Christ.

"I saw the Lord ever before me, with him at my right hand I shall not be disturbed. Therefore my heart has been glad and my tongue has exulted; my flesh, too, will dwell in hope, because you will not abandon my soul to the nether world,

nor will you suffer your holy one to see corruption. You have made known to me the paths of life; you will fill me with joy in your presence."

-Acts 2:25-28

Although Easter Sunday is over, the church actually celebrates the season of Easter for the next 49 days. The party is just getting started! So if you didn't get the chance to color eggs, plan or take part in an egg hunt or have a celebratory feast, it's not too late. Below is a list of some things that we can do with your families, or as adults!

If you decide to partake, post below letting us know how it went! Peace in Christ!

Jesus Christ is risen! Spring is a wonderful time to celebrate the Easter season, as the world is bursting with life and color. God shares reminders of His love for us through His creation. One beautiful reminder is the humble dogwood tree. Though the legend of it serving as Christ’s cross is likely untrue, as it is not native to that area, it is still a wonderful reminder of all that Christ has given us.

Where do you see God’s love in nature? Comment below to share. Bonus points if you include a picture!

The origins of the Rosary dates back to the early church and has continued into the form we know today. Today we have a couple videos demonstrating how to make a single decade bead Rosary and a knotted twine Rosary.
