

## Writing to Your Camper

- We encourage you to write to your child while they are at camp. Postal mail is delivered and sent from camp daily.
- Campers are also able to receive e-mail. E-mail attachments, photos, and e-cards will not be opened or printed. Campers CANNOT send e-mail from camp.
- Please include the camper's first and last name, and group number on all mail (e-mail and standard mail). Please use the e-mail address below. Do not send camper email to other camp accounts. It will not reach your camper.
- Email is printed each day between 2 and 3 pm and is typically delivered around the dinner hour.
- Parents may drop mail into a camper "mailbox" during check-in. Staff will deliver these letters with other mail.
- E-mail is NOT printed and delivered on the opening or the closing day of camp sessions.

## HOW CAN I CHECK ON MY CHILD?

You may call or email camp to check on your child. The best time to contact the camp is during regular business hours so that someone in the office will be available to receive your request. Please phone Mae at 812-988-2839, ext. 122 or e-mail registrar@campranchoframasa.org. Please note several calls and emails are received each day and it may take a few hours for your call or email to be returned.

## WHAT IF MY CHILD NEEDS ME?

- Camp staff will contact you if your child needs you.
- Phones are not available to campers. Sometimes, when a camper believes he/she has permission to call home, he/she may focus on calling home instead of getting involved in camp activities. **Please, do NOT give your child permission to call home or allow him or her to bring a cell phone. Cell phones will be confiscated and returned at the end of the week.**

A Camp Staff member will CALL YOU in the following situations:

### **Health-Related**

- Camper has COVID-19 symptoms.
- Camper is admitted to the Health Center and requires extended attention, treatment, or observation by the camp health staff.
- Camper requires a visit to the doctor or hospital.
